Dear Air Carrier Representative:

Subject: New Date for the Air Carrier Consultation Meeting
Proposed Passenger Facility Charge Application

This letter shall serve as notice that the Air Carrier Consultation meeting originally scheduled on March 29, 2006, is rescheduled to be held on **Wednesday, April 26, 2006, at 10:00 A.M.** The meeting will be held in the Interisland Conference Center, Room No. 1 located on the 7th Floor of the Interisland Terminal at Honolulu International Airport. The deadline for carriers to provide their written certification of agreement/disagreement is changed to May 26, 2006 (30-days following the consultation meeting).

The revised meeting date is necessary to accommodate any air carriers with letters received after the required minimum of thirty days. This letter will provide all air carriers with the minimum of thirty (30) days notice as required by Section 158 of the Code of Federal Regulations (14 CFR Part 158), "Passenger Facility Charges" (effective June 28, 1991).

All of the other information regarding the State's intent to file a new PFC application remains the same as contained in the original notification letter. A copy of this letter along with the original letter and the Air Carrier Consultation Meeting Information Package can be found on the State's website at: <http://www.hawaii.gov/dot/airports/business/pfc.htm>

At this meeting, each carrier will be allowed a maximum of five minutes to comment. Official comments will be required to be submitted in writing in accordance with the Certification of Agreement/Disagreement.

Certification of Agreement/Disagreement

It is important to note that regardless of an air carrier's attendance at the meeting, FAA Order 5500.1 states that, "... each carrier must provide the public agency with a written certification of its agreement or disagreement with each proposed project. A certification of disagreement shall contain the reasons for such disagreement. The absence of such reasons shall void a certification of disagreement." The State will accept comments on all proposed actions contained in this notice for a period of up to 30 days after the meeting, i.e., **May 26, 2006**.

To provide a written acknowledgement, request a copy of the project information, raise any questions or discuss any issues relating to the actions detailed in this letter prior to the consultation meeting on April 26, 2006, please contact:
